Instructions:

1. Create the extra black lines on the Designer Series paper with a ruler and Basic Black Marker. Do this by adding a line on the blues stripes. Set aside
2. Stamp the butterfly on Balmy Blue card stock and use the coordinating punch to punch them out. Set aside.
3. Cut the white circle and black scallop circle. Use the 5th circle starting from the smallest and the 6th scallop circle from the smallest. Set aside.
4. Stamp the sentiment in black on the 2 1/2 x 3/4" whisper white piece and banner the left end using your paper snips. Set aside.
5. Adhere the Designer Series Paper to the bottom of the Whisper White layer. Wrap the twine around this layer twice and tie in a bow on the left of the card.
6. Adhere this layer to the folded card base.
7. Adhere the white circle onto the black scallop circle and attach to the card using dimensionals.
8. Adhere the small butterfly to the larger butterfly with a Mini Glue Dot. And then adhere the butterfly to the circles with dimensionals
9. Adhere the sentiment banner to the circle at an angle.
10. Stamp the inside of your card if desired and send it as happy mail to a friend or family member.
